## **Consultant Appointment - Current position**

**1st March 1995 – present**

**Consultant Otolaryngologist Guy's, St. Thomas' & Evelina Hospitals, London. Head of Paediatric ENT at the Evelina London Children's Hospital**

*Special interests:*

**Neurotology, Otology, Paediatric Otolaryngology  
Adult and Paediatric Cochlear Implantation**

### **Significant developments over recent years:**

*I have initiated and developed a nationally & internationally recognised tertiary service in neonatal & paediatric airway surgery, in collaboration with intensive care, cardiac, and other allied specialties. We have now achieved a department with 5 consultants in paediatric ENT, a Post CCT Paediatric ENT Fellow, Paediatric Tracheostomy Nurse Practitioners, and a definitive SHO level Trust Paediatric ENT doctor; we are now awaiting confirmation of a 6<sup>th</sup> consultant post.*

*I initiated a new (now funded) multi-disciplinary Vertigo service: this streamlines assessment, investigations and management of dizzy patients and involves ENT Vestibular physiotherapy and Audiology for adults*

*Continuing excellent stapes & cholesteatoma surgery for adults and children; outcomes confirmed on clinical research, presentations & audits.*

*My practice includes cochlear implantation in both adults and children (from age 5 months)*
